

# Calendars

**Lesson Four:** Calendars help us organize our time. It is a good idea to write appointments on a calendar. \*Note: Holidays are in italics.

| January 2006               |                                  |                      |                                  |          |                   |                   |
|----------------------------|----------------------------------|----------------------|----------------------------------|----------|-------------------|-------------------|
| Sunday                     | Monday                           | Tuesday              | Wednesday                        | Thursday | Friday            | Saturday          |
| 1 <i>New Year's</i>        | 2                                | 3 school starts 8:00 | 4                                | 5        | 6                 | 7 dinner at mom's |
| 8                          | 9                                | 10                   | 11 movies 7:00 pm                | 12       | 13                | 14                |
| 15                         | 16 <i>Martin Luther King Day</i> | 17                   | 18                               | 19       | 20                | 21                |
| 22                         | 23                               | 24                   | 25 dentist 1:30 / (714) 555-9900 | 26       | 27 pay phone bill | 28                |
| 29 <i>Chinese New Year</i> | 30                               | 31                   |                                  |          |                   |                   |

**A.** Answer the questions about the calendar.

1. When is the phone bill due?

\_\_\_\_\_

2. When is the dentist appointment?

\_\_\_\_\_

3. What is the first holiday in January?

\_\_\_\_\_
