

# Middle School

Read Aloud Activity

Pedro is 12 years old. He attends middle school. Next year he will start high school.

Students in high school are older than students in middle school. They are from 13 years old to 18 years old.

Pedro is excited about high school. He wants to play basketball and get good grades. He wants to go to school dances with pretty girls. He wants to drive a car.

Pedro's parents are worried. They worry Pedro might get into trouble in high school. They worry he might take drugs. They worry about his grades. They love Pedro, and they want him to do well in school.
