

Numbers

Lesson Five: We use numbers to count things. For example, one, two, three, four, etc. We also use numbers to talk about things. For example: There are eight tables and forty chairs in the classroom.

A. Copy the numbers on the blank lines. Use lower case letters.

one	_____	twenty-one	_____
two	_____	twenty-two	_____
three	_____	twenty-three	_____
four	_____	twenty-four	_____
five	_____	twenty-five	_____
six	_____	twenty-six	_____
seven	_____	twenty-seven	_____
eight	_____	twenty-eight	_____
nine	_____	twenty-nine	_____
ten	_____	thirty	_____
eleven	_____	thirty-one	_____
twelve	_____	thirty-two	_____
thirteen	_____	thirty-three	_____
fourteen	_____	thirty-four	_____
fifteen	_____	thirty-five	_____
sixteen	_____	thirty-six	_____
seventeen	_____	thirty-seven	_____
eighteen	_____	thirty-eight	_____
