## Shapes

Lesson Nine: This table contains basic shapes and lines. Shapes are made from lines. Lines have a beginning and an end. They can be straight or curved.

|  | $\square$ |  |  |
| :---: | :---: | :---: | :---: |
| square | rectangle | circle | oval |
|  |  |  |  |
| star | diamond | triangle | arrow |
|  |  |  |  |
| heart | cross | "no" symbol | pentagon |
|  |  |  |  |
| hexagon | octagon | cube | cylinder |
|  |  |  |  |
| straight line | curved line | double arrow | callout |
