

B. Red, yellow, and blue can be mixed together to make secondary colors. Look at the chart and answer the questions.

Primary Colors	Secondary Colors
yellow + red	orange
red + blue	purple
blue + yellow	green

1. What two colors make green?

2. What two colors make orange?

3. What two colors make purple?

C. We often ask people what their favorite colors are. Examples: What is your favorite color? My favorite color is pink.

1. What is your favorite color?

2. What color are your eyes?

3. What color is your house?

 What color flowers do you like? _____
