

Prepositions

Lesson Eleven: Prepositions of location tell you where things are located.
For example: The book is on the table.

	
The flower is on the box.	The flower is in the box.
	
The flower is next to the box.	The flower is between the boxes.
	
The flower is behind the box.	The flower is in front of the box.
	
The flower is above the box.	The flower is below the box.

A. Write the correct preposition on the line.

1. The flower is _____ the flower pot.
2. The books are _____ the shelf in the cabinet.
3. The salt shaker is _____ the pepper shaker.
4. My doormat is _____ the door.
