

Anniversary Dinner

Read Aloud Activity

It is 8:30 p.m., and Mr. and Mrs. Wilson are at an expensive restaurant in downtown Miami. A musician is playing a romantic song on the violin. Mr. Wilson is asking Mrs. Wilson if she would like to order a shrimp appetizer before dinner.

Mrs. Wilson is going to order lobster for dinner, so she doesn't want to have shrimp as an appetizer. She suggests that they order the stuffed mushrooms instead. Mr. Wilson agrees, so he calls over the waiter and places the order.

When the Wilsons finish dinner, they are going to go dancing.
