Read Aloud Activity

New York City is located in New York. It is the most populated city in the United States. More than eight million people live in New York City.

New York City is abbreviated NYC. It is nicknamed the “Big Apple” because of its size and the influence it has around the world. The Statue of Liberty, Wall Street, the New York Stock Exchange, the Empire State Building, and Broadway are all located in the city.

Because parking is expensive, many people take the subway, buses, or ride a taxi.

New York City has over five thousand skyscrapers, which is more than any other city in the world.
