

## Valentine's Day Cards – Craft Activity

Directions: Color and cut out the pictures. Glue them on the front of folded papers to make Valentine's Day cards. Be sure to write special messages inside the cards. Give them to friends and relatives.

Teachers and Students: This Valentine's Day activity may be reproduced for educational use. Please visit [www.elcivics.com](http://www.elcivics.com) for more free worksheets and lessons. Enjoy!
