

# Computer Skills

Read Aloud Activity

It is 8:30 and Irma is at work. She is using a computer to check her e-mail.

Irma works for a large company in Dallas, Texas. The company makes office furniture. Irma is a salesperson. She sells office furniture to retail stores in Texas.

Irma makes \$45,500 a year. The company also pays for her health insurance. Irma got her job because she is good with people and good with computers.

When she came to the United States from El Salvador, Irma took classes to learn English. Then she took computer classes. The classes were easy and fun.
