Read Aloud Activity

Silverware includes spoons, forks, and knives.

When you set the table, the knife and spoon should be placed to the right of the dinner plate. The spoon should be to the right of the knife with the blade of the knife facing the plate.

The fork should be to the left of the plate. If you are using a salad fork, it should be to the left of the dinner fork.

Napkins can be placed on the plate or to the left of the fork.

Glasses and cups should be placed above the knife and spoon. If you are serving rolls, place the small bread plate above the fork.
