He starts work at 7:00 and finishes at 4:30. Another janitor works with him.

Janitors sweep the sidewalks, cut the grass, mop the floors, vacuum the carpets, wash the windows, empty the trash, clean the bathrooms, fill the paper towel dispensers, dust the furniture, change the light bulbs, and many more tasks.

Michael likes to keep the school clean. He is proud of the good job that he does.

The principle and the teachers are nice to him. The students like him too. Even the parents know his name.
