Reading Out Loud Worksheet

Pedro went hiking in  
Yosemite National Park.

He left his house Saturday

morning at 7:30 AM and arrived at the park by  
9:30 AM.

He set his tent up because he planned to  
spend the night in the park. After he unpacked  
his camping gear, he went hiking along the  
nearest trail.

Pedro walked for an hour on the trail. The  
sun was hot so he sat down on a large rock to  
drink some cool water and eat a snack.

When he was sitting on the rock he saw a  
beautiful bird. He decided to follow the bird  
and take a picture of it. After he took a picture  
of the bird with his cell phone, he tried to  
return to the hiking trail but he got lost!
