

Positive Comments

Reading Aloud Passages

Positive comments are nice phrases you say to people.

It is important to know when to make

a nice comment and when to be quiet and say nothing.

If someone does a good job you can use one of these phrases. Or if someone learns a new skill like riding a bike or driving a car you can use one of these positive comments.

Life is better when we encourage each other and say nice things. When we congratulate people we show we care about them and their success.

So, congratulations for learning English!

Great idea!

Awesome job!

Way to go, yeah!

I love it!

You did it!

Good for you!

Congratulations!
