Read Aloud Activity

Cesar is washing his clothes. He put his dirty clothes in the laundry basket and carried the basket to the washing machine. After he started the washing machine, he added three cups of laundry detergent and the dirty clothes.

Several minutes later, soap suds started coming out of the lid of the washing machine.

Oh, no! Cesar put too much detergent in the washing machine. He didn't read the directions on the box. Now, he has to clean up a mess.
